

February 6, 2024

Dear Friend of Oakdale,

As we work to prepare for the 2024 City-Wide Volunteer Day to be hosted by Love Oakdale on April 27, 2024, it's fun to look back at last year.

Look at what our community accomplished during our 2023 Volunteer Day:

- Over 650 people attended the kickoff rally and then dispersed to serve the city.
- We poured a new asphalt ramp, rebuilt a fence, and repaired siding at the Oakdale Rescue Mission.
- We worked with Oakdale Arts to paint the beautiful mural at the Oakdale Community Garden.
- We prepared 50 gift baskets for the Center for Human Services' Community Baby Shower.
- We packed and sent care packages to over 50 active military with Blue Star Moms.
- We delivered over 100 bags of sunshine and hand drawn cards to the shut in seniors of Oakdale.
- We worked at 14 homes of elderly or ill families in town to clean up landscaping and helping with light handman projects. We even removed a fallen down fence for a local senior citizen.
- We helped Oakdale Garden Club improve gardens at the Post Office and other areas in town.
- We moved lots of bark and freshened playground paint at our elementary schools.
- We replanted flower boxes at the Oakdale Nursing and Rehabilitation facility.
- We worked at city parks to lay bark, cleared weeds at the cemetery, and hauled away garbage from the alleys in town.
- And this isn't even a complete list!

Will you partner with Love Oakdale this year so we can accomplish even more for this city we love?

Here's how you can help:

1. Volunteer as a team. Encourage your business to come out in force! Serving together is a great way to build camaraderie and deepen relationships. We'd love to give a shout out to your business from the stage at the rally! Details can be found on the, "Team" tab of our website.
2. Give. Your gift helps us serve the city far beyond our City-Wide Volunteer Day. All year long we serve families in need, assist local non-profits, and support our local small business community. Your sponsorship allows you to play a role in all we do.
3. Share. Do you know a business in town we might not have reached yet? Tell them about the work Love Oakdale does and encourage them to get involved.

Looking forward to loving our city together in even bigger ways this year,

Savannah Sprague
